

TEMPLE

EST. 1971

AGE/HEALTH REQUIREMENTS

Proof of age – Kindergarten

- ❖ Kindergarten students must be five (5) years old on or before August 15.
- ❖ All students must submit a state-issued birth certificate. Copy must be filed.

Tennessee Child Health Record

Kindergarten

- ❖ Diphtheria-Tetanus-Pertussis (DTaP, or DT if appropriate)
- ❖ Hepatitis B (HBV)
- ❖ Measles, Mumps, Rubella – two doses of each, usually given together as MMR
- ❖ Poliomyelitis (IPV or OPV) – final dose on or after the 4th birthday
- ❖ Varicella – two doses or history of disease (chickenpox)
- ❖ Hepatitis A (HAV) – total of two doses, spaced at least six months apart (required 7/11)

Seventh grade

- ❖ Tetanus-diphtheria-pertussis booster (Tdap) – not required if a Td booster dose, given less than five years before seventh grade entry, is recorded on the DTaP/Td line
- ❖ Verification of immunity to varicella – two doses or history of disease (chickenpox)

New enrollees in a TN school in grades other than kindergarten or seventh

- ❖ Diphtheria-Tetanus-Pertussis (DTaP, or DT if appropriate)
- ❖ Measles, Mumps, Rubella – two doses of each, usually given together as MMR
- ❖ Poliomyelitis (IPV or OPV) – final dose on or after the 4th birthday
- ❖ Varicella – two doses or history of disease (chickenpox)
- ❖ Hepatitis B (HBV)

Immunizations may be obtained from the family physician or County Health Department. All immunizations must be recorded on the *Tennessee Department of Health Certificate of Immunization*. Students who do not have all required immunizations (or certified exemptions) may not attend class without a temporary certificate issued by a healthcare provider.

A physical exam is required for new students entering the Academy
